WHEN ♀ TRANSITS ♀  
VENUS SCORPIO

**You see the deep truth of the  
value you possess**

*your magic*

[A part of you which may've been  
Suppressed for some time]

**Insights into your role in  
relationships &  
what you have to offer**

**Determining what you receive  
from your relationships,  
and whether the  
energetic exchange is reciprocal**

**Clarity on what you value,  
what is non-negotiable  
and where changes need to occur**

**Cutting off what hurts you,  
what makes you feel subpar  
what doesn't help you shine.**

A stronger desire to  
only participate in relationships  
from a true and honest place

[or not at all]

Absolutely feeling where there is  
discord in your interations.

What's hidden  
comes to the surface

mis truth  
mis alignment

More  
Honest

Using this knowing to open  
to a new way of relating

Ackowlegding and processing  
old wounds at their root,  
so you can start a new cycle  
unimpeded by past hurts.

**Scorpio doesn't function well  
with superficiality**

**Where this exists in your relations will  
become increasingly obvious and  
abrasive to your soul truth.**

Make  
yourself

exhale

Relax the corners

the bridge  
of your nose.

open your ears

Release  
the front of  
your chest

breathe in there  
all the way around

Soften  
the back  
of your  
neck

your temples

Breathe out from  
your ribcage

Pause here and  
breathe

Relax

Both sides of your neck

the roof of  
your mouth

Your  
armpits

Soften the whole  
area

Relax cheekbones

let your teeth  
float

exhale...

Relax your wrists

palms of your hands

thumbs

all knuckles

the webbing  
between your  
fingers

breathe in

to your

elbow creases

Breathe out

Relax  
all tension in  
your stomach.

Your hips

Soften the  
walls of your  
heart

Relax  
your groin

quads

Soften your  
knees

Baeks of  
knees

hamstrings

Soften into the  
surface you're  
sitting on

feel it support you

Soften the  
top of both feet

arches of  
both feet

ankles

all the way through

Relax your toes

a LOT of tension  
is stored in the  
soles of your feet

Let it fall out  
of you now

give it to the earth

just let it go

Breathe out.

Relax your stomach.

Relax  
the  
Base of  
your spine

Release judgement  
about any decisions  
you made when  
you didn't know better

You know  
better now

Let Venus  
work her  
magic

Absorb the newness

You get new patterns now

Breathe into your brain.

Absorb it.

Let Uranus  
clear the system

Let there be  
Space

The title 'OUTER INNER' is rendered in a large, white, outlined font. The word 'OUTER' is on the top line, and 'INNER' is on the bottom line. The letters of 'INNER' are filled with a dark purple gradient and contain numerous small, white, star-like specks, giving it a cosmic appearance. The background is a dark blue gradient with scattered, faint, purple and white specks, suggesting a starry night sky or outer space.
